

# **Minutes Of Meeting**

**Date:**6-Oct-2025

## **Agenda:**

- Discuss data seeding issues
- Address problems with image data seeding
- Review results of integration and system testing

## **Present Members:**

1. Lamia Gul
2. Neha Rehan
3. Sana Ghulam Rasool
4. Sania Khan
5. Humaima Moin

## **Absent Members:**

None

## **Summary:**

The team discussed the issues encountered during data seeding, particularly the challenges faced while seeding image data. The results of integration testing and system testing were reviewed, and the team analyzed the outcomes to identify areas for improvement.
