

Minutes Of Meeting

Date:15-Sep-2025

Agenda:

- Plan user interface API integration (Frontend–Backend connectivity)
- Identify and address API-related challenges
- Continue documentation progress and finalize dashboard changes

Present Members:

1. Lamia Gul
2. Neha Rehan
3. Sana Ghulam Rasool
4. Sania Khan
5. Humaima Moin

Absent Members:

None

Summary:

Planning for user interface API integration was carried out, outlining how backend services will connect with the frontend. API-related challenges were identified. Progress on documentation continued, and earlier proposed dashboard changes were reviewed for finalization.
